Mission

Gould Academy guides students to be creative, courageous, and resilient and to lead lives of fulfillment and purpose.

Vision

A Gould education is transformative. Students build meaningful relationships in our community and learn through a challenging interdisciplinary curriculum. Our extraordinary mountain setting and innovative educators provide the environment, time, and mentorship for young people to discover and fulfill their potential.

Core Values

Curiosity We celebrate and encourage curiosity as the inspiration for learning, the source of great questions and ideas, and a driver of a vibrant and engaged community.

Kindness We practice caring for each other, acting with empathy in pursuit of a respectful and inclusive community where we can thrive as individuals.

Creativity We stimulate and support creativity and innovative thinking to solve novel challenges, foster joy, and fulfill the spirit.

Courage We nurture courage, building the confidence to take risks, to persevere, to live authentically, and to act with purpose, honor, and integrity.
