Our Pillars of Guiding Excellence

The Farragut Promise comes to life through four Pillars--commitments that guide-teaching, student life, and leadership formation.

*Learn
Boldly*

*Grow
Deeply*

*Lead
Nobly*

*Live
Purposefully*

Aviation

- Students can earn their FAA Private Pilot's License before graduation a unique opportunity that builds confidence, technical skill, and responsibility

Leadership Development

As a naval heritage school, Farragut's leadership program is a defining part of the experience. Students gain discipline, teamwork, and resilience through structured training and community service.

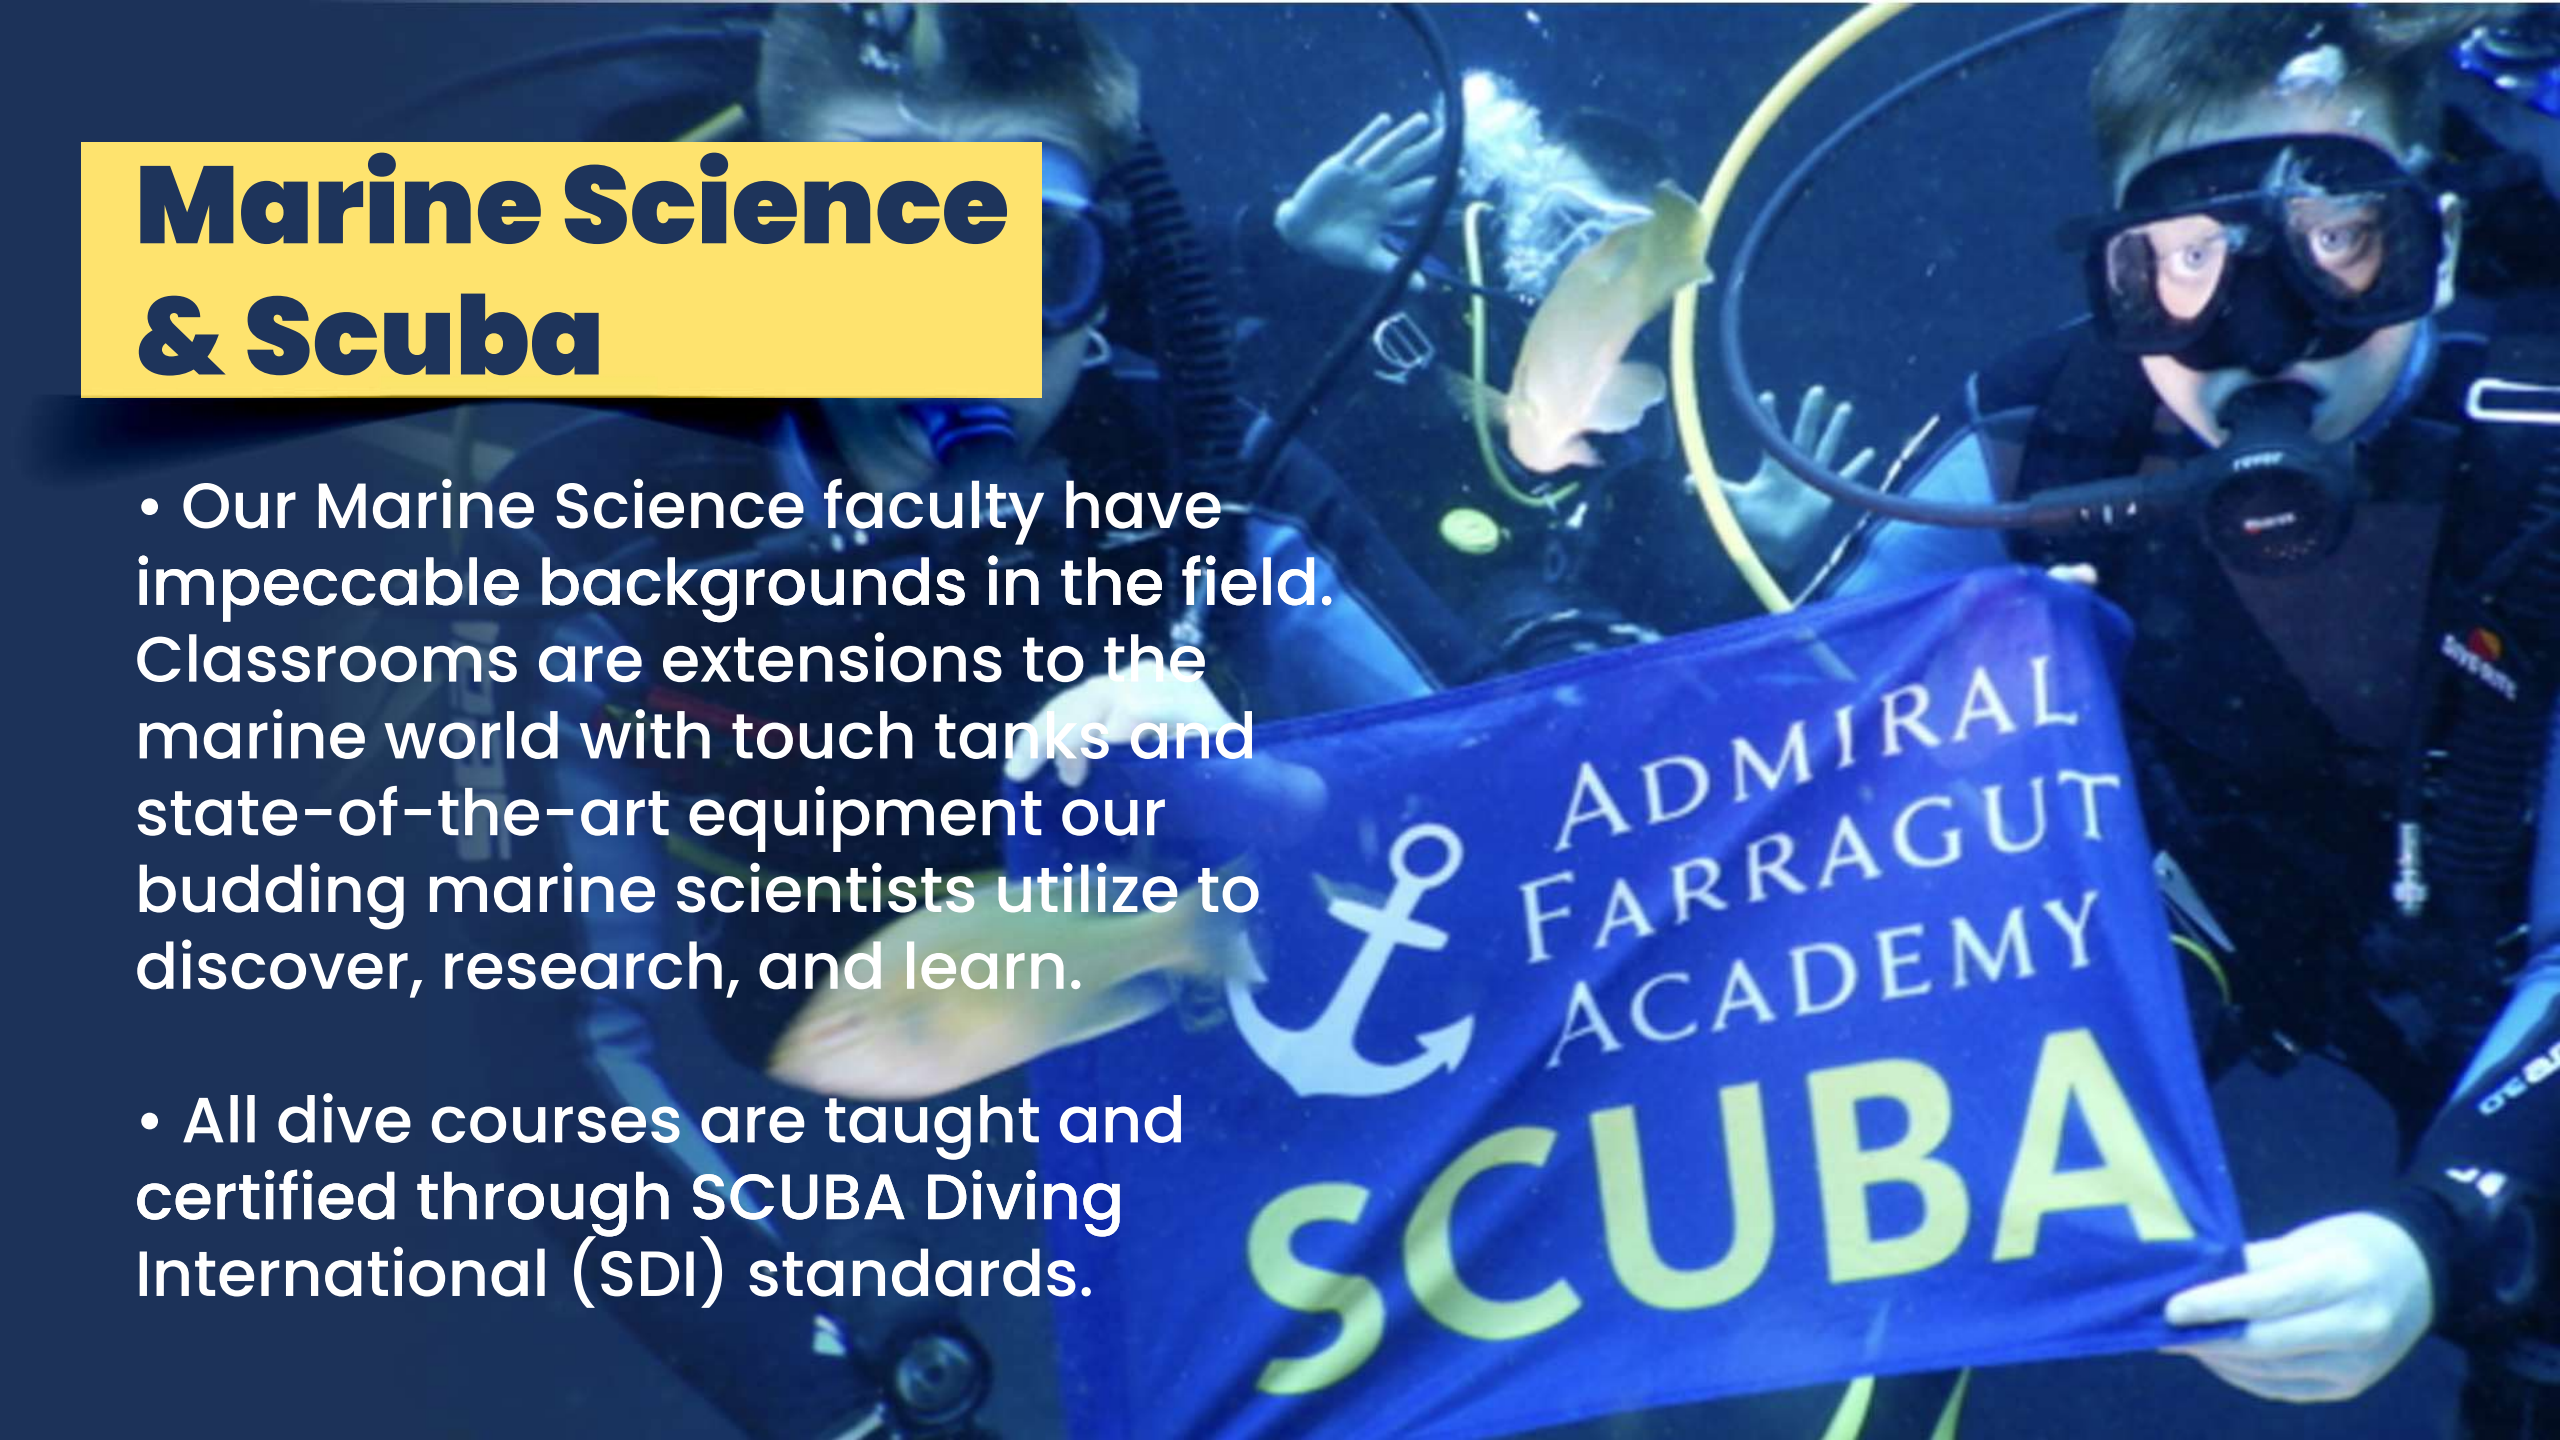

Naval Science & Sailing

- As a proud United States Naval Honor school, Admiral Farragut Academy holds a revered designation bestowed by an Act of Congress. This prestigious title is reaffirmed annually by the Department of the Navy, a testament to our unwavering commitment to excellence.
- From basic seamanship to advanced racing skills, Farragut's sailing program builds confidence, teamwork, and a lifelong love for the sea.

Marine Science & Scuba

- Our Marine Science faculty have impeccable backgrounds in the field. Classrooms are extensions to the marine world with touch tanks and state-of-the-art equipment our budding marine scientists utilize to discover, research, and learn.
- All dive courses are taught and certified through SCUBA Diving International (SDI) standards.
