

Life-Driven Education that Builds **Resilience** for Independence & Success

MAPLEBROOK

ASCENT
INTERNATIONAL
AT MAPLEBROOK

Today's Maplebrook is shaped by its rich heritage. As a fully accredited private school for boarding and day students with learning differences, Maplebrook crafts individualized educational programs for each student to maximize their unique talents and enrich their learning experience.

**FULLY ACCREDITED
PRIVATE SCHOOL**

SOCIAL-EMOTIONAL

Maplebrook specializes in remediating social pragmatics and executive functioning. Students often struggle with judgment, problem-solving, decision-making, managing emotions, making social connections, planning, organization, flexible thinking, impulsiveness, poor self-esteem, initiation, organization, perseverance, and resilience.

COGNITIVE ABILITY | FSIQ: +/- 70-95

We will look a little higher or a little lower depending on the student's academic levels. Lowest academic grouping is 2nd grade.

MAPLEBROOK

NYS curriculum leads to high school diploma, experiential learning model, speech and language, and reading clinic.
