

Senior School Years 7 to 13

St Leonards
St Andrews

Welcome to the St Leonards Senior School

At St Leonards Senior School, pupils join a vibrant and ambitious community where they are supported to thrive academically and personally. Guided by the International Baccalaureate, we inspire young people to be confident, curious, and compassionate, while placing wellbeing at the heart of school life. With opportunities ranging from leadership and service to sport, creative arts, outdoor learning, and our renowned Golf Academy, pupils are encouraged to discover their passions, develop resilience, and prepare for life beyond school. We look forward to welcoming you to a school where pupils are happy, motivated, and inspired to flourish.

Beyond the Classroom: Co-Curricular Activities and Sports

At St Leonards, pupils enjoy a rich and varied co-curricular programme, with most opportunities included in school fees and specialist options available at an additional cost. The timetable evolves each term to keep choices fresh, while core activities such as music, art, drama, and sport remain at the heart of school life.

In Years 7–9, pupils take part in at least two activities each week, balancing active and creative pursuits, while older year groups tailor their choices to their interests and ambitions. Sixth Formers often focus more narrowly, with activities contributing to CAS or Community Engagement elements of the IB. Boarders benefit from a wide range of options, joining at least four after-school activities or supervised prep sessions each week.

We make full use of our excellent facilities, beautiful seaside setting, and the expertise of both our dedicated staff and specialist practitioners to ensure that every pupil has the chance to thrive.
