You Belong Here.

**SMALL ENOUGH TO SEE YOU.
BIG ENOUGH TO OPEN YOUR WORLD.**

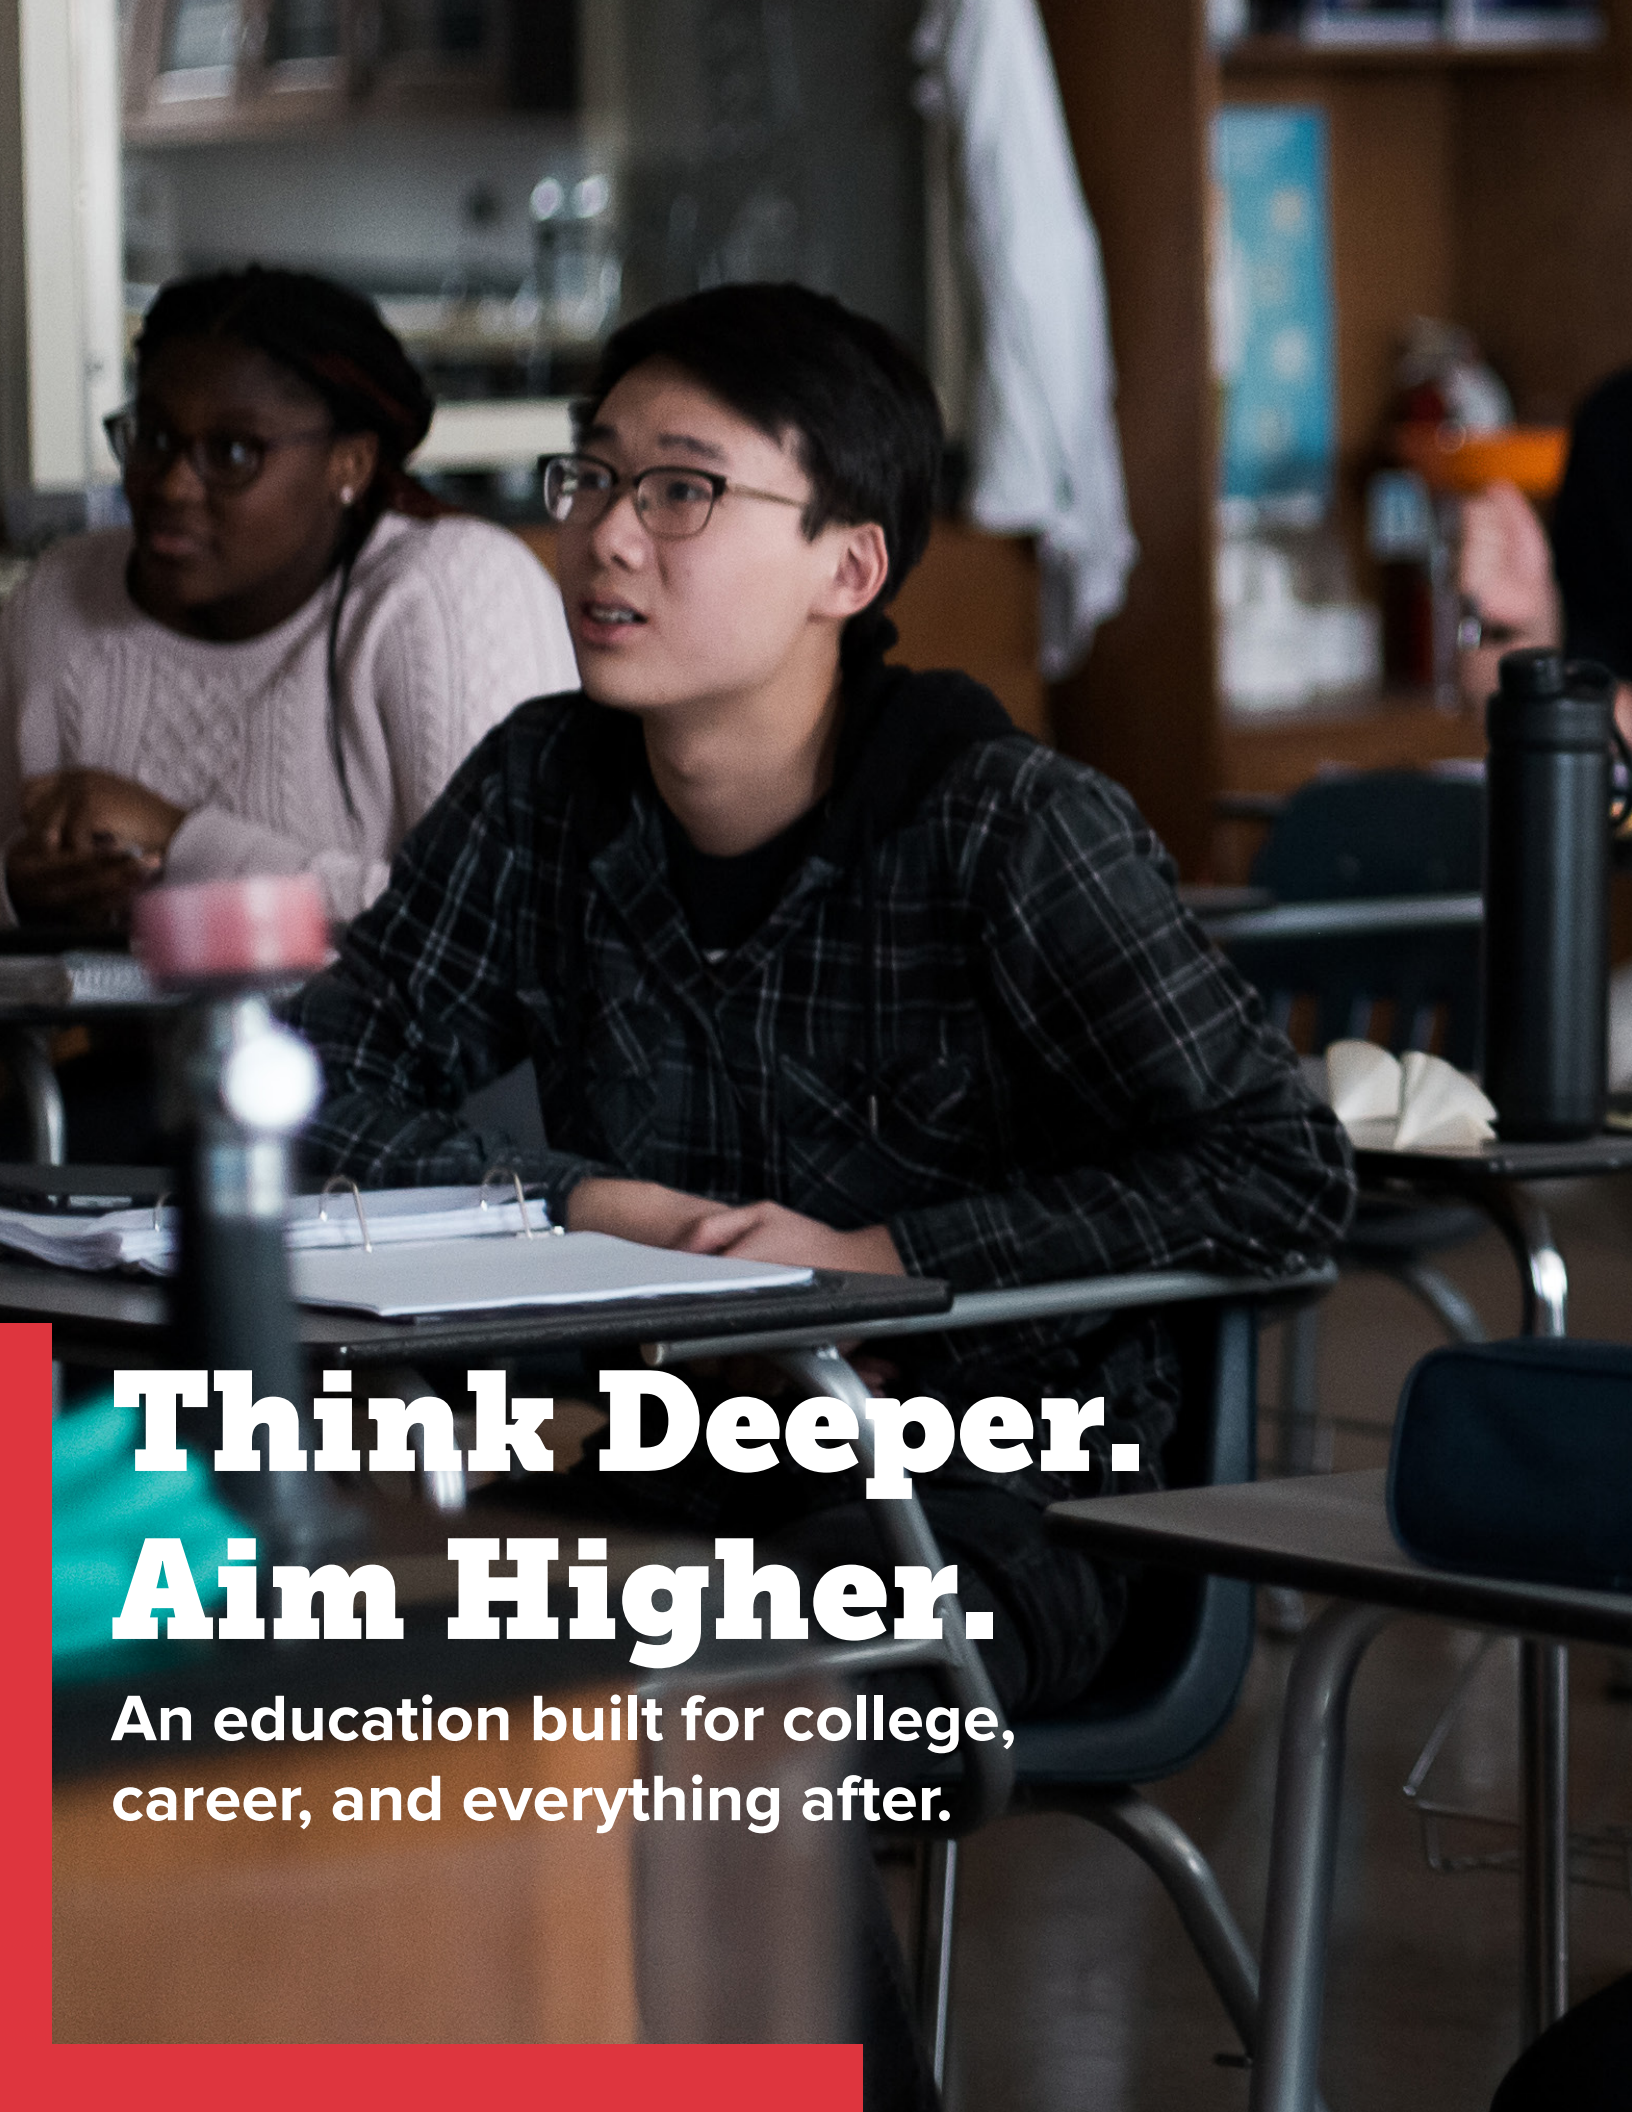

We're an inclusive community where differences are celebrated, friendships cross grades and cultures, and everyone has a voice. Here, you'll find a place that feels like home and challenges you to grow.

Our graduates leave ready for college and for life—joining a global alumni network that keeps the Dragon spirit alive. Once a Dragon, always a Dragon.

AP COURSES

Our Mastery Learning approach goes beyond grades—it builds the skills and habits that matter most for college and life.

Guided by six Graduate Goals, you'll develop curiosity, creativity, and confidence in a way that sticks.

We offer 19 AP courses, including the AP Capstone Diploma Program, and blend classroom knowledge with real-world problem solving. From debating City Council candidates to conducting market research for a presidential library, you'll put learning into action.

Find Your Voice. Follow Your Passion.

FROM THE STAGE TO THE STUDIO, YOUR
CREATIVITY HAS ROOM TO GROW.

Our arts program is woven into the culture of Stuart Hall—and into the vibrant creative community of Staunton.

From Shakespeare to sculpture, **Stuart Hall connects you to real artists and real stages.** Partner with the American Shakespeare Center, train with Silver Line Theatre Exchange, and explore visual, performing, and digital arts that build confidence for life.

“*The arts at Stu turned a simple interest into a full-fledged career path—one I’m still chasing with passion.* **Theo '25 - SCAD '29**

Lead Here. Go Anywhere.

**OPPORTUNITIES TO LEAD IN A COMMUNITY—
AND A CITY—THAT FEELS LIKE HOME.**

Leadership at Stuart Hall happens everywhere—mentoring younger students, running a club, organizing events, or representing peers in student government.

Through our **Staunton is Our Campus** approach, leadership extends beyond the campus into a safe, walkable city nestled in the Shenandoah Valley. We see ourselves as part of the community, not apart from it—partnering with local businesses, cultural organizations, and environmental groups to make a real impact.

Staunton's historic districts and creative spaces become your classroom, helping you build the confidence, skills, and connections to thrive in college, career, and civic life.
